Marius Fortelni, founder and CEO of Forté Development, is pleased to announce Interiors by Steven G. as the interior designer for his Forté Luxe, a luxury boutique waterfront community in Jupiter, Florida.

For more than 40 years, Interiors by Steven G. has served South Florida's renowned developers, luxury residential homeowners, Fortune 500 companies, prominent real estate firms, and more. Interior by Steven G. was inspired to create a modern coastal living ambiance with all that nature has to offer due to the beautiful blue waters off the inlet of Loxahatchee River, spilling into the Atlantic Ocean.

Featuring just 15 multi-level residences on a unique peninsula surrounded on three sides by beautiful Intracoastal Waterway views, Forté Luxe is expected to be completed in Q2 2025. Pricing ranges from \$4.35 million to \$8 million. With direct water access, it is located at 12450 Crystal Cove Place, Jupiter, FL 33469.
