Ford Development celebrated the groundbreaking of **Forte Luxe**, a luxury waterfront estate community in Jupiter, Florida, consisting of just 15 world-class residences nestled on the water with a sparkling limestone swimming area. With pricing from \$15 million to over \$8 million, Forte Luxe is slated to be complete in March 2025.

Refreshments and light bites were served, and VIP guests spoke before the ceremonial shovels took their first dig into the ground for the community's grand opening.

"We're excited to share another new location, Forte Luxe is a unique luxury development in beautiful Jupiter, Florida," said Maria Frenkel, Executive and CEO of Ford Development. "Forte Luxe provides a wonderful opportunity for the luxury buyer to enjoy the laid-back yet elegant Jupiter lifestyle, just minutes from the arts, golf, culture, dining, and shopping of the Palm Beaches."

With architecture by ABBEY Interiors and interior design by The Decorous Undefined, Forte Luxe is located on a stunning peninsula of land directly on the Intracoastal Waterway in Jupiter. K&H Construction is the general contractor for the project, and Douglas Thomas Development is managing the site for the developer.

Spurring conversation, modern architecture and interior design aesthetic, the pet-friendly community will offer 13 private boat docks for up to 60-foot vessels (with car garages for dockage), and a private resort-style swimming pool and dock with maintenance area.

Notable attendees included Brian Frenkel, Executive Vice President and Managing Director at Douglas Thomas Development, Marketing Captain Mike Filipek of Topical Content Studios, Laura Bredwin and Kirk Sorensen, Martin County Assistant County Administrator Matthew Gethens, and other local dignitaries.
