

Forté Development Secures \$47.5M Construction Loan for its Forté Luxe Luxury Boutique Waterfront Community in Jupiter, Florida

Forté Development secured a \$47.5 million construction loan from New York-based 360 Capital Funding, on July 3, 2024, for its Forté Luxe, a luxury boutique waterfront mmunity in Jupiter, Florida. 360 Capital Funding is a non-conventional lender that finances real estate projects in the continental United States.

"We are very pleased to secure construction financing with 360 Capital Funding, at very competitive rates and terms, for Forté Luxe," said Marius Forteini, founder and CEO of Forté Development. "This luxurious residential community offers its residents a one-of-a-kind opportunity to live at the water's edge and enjoy the ultimate South Florida lifestyle."

"It has been a pleasure to work with Marius and his team throughout the iterations of this project to bring this unique offering to Lupiter," said Michael Horowitz and Jordan Horowitz, of Cooper Horowitz, who arranged the financing on behalf of Forté Development. "360 Capital Funding immediately recognized the niche in the market that this product would serve and efficiently pursued and concluded the financing, it was a collaborative effort from start to finish, and we look forward to seeing this project
