

Forté Luxe Announces Interiors by Steven G. as Interior Designer

Marius Fortelni, founder and CEO of Forté Development, is pleased to announce [Interiors by Steven G.](#) as the interior designer for its [Forté Luxe](#), a luxury boutique waterfront community in Jupiter, Florida.

Featuring just 15 multi-level residences on an exceptional and unique peninsula surrounded on three sides by beautiful Intracoastal Waterway views, Forté Luxe is expected to be completed in Q2 2025. Forté Luxe offers views of cobalt blue water typically only found in the Bahamas. Pricing ranges from \$4.35 million to \$8 million. With direct water access, it is located at 12450 Crystal Cove Place, Jupiter, FL 33469.

For more than 40 years, Interiors by Steven G. has served South Florida's renowned developers, luxury residential homeowners, Fortune 500 companies, prominent real estate firms, and more. Not only will it provide stunning, contemporary design for the boutique community itself, but will also redesign Forté Luxe's sales gallery. The sales gallery is anticipated for completion in April 2024.

Interior by Steven G. was inspired to create a modern coastal living ambiance with all that nature has to offer due to the beautiful blue waters off the inlet of Loxahatchee River, spilling into the Atlantic Ocean. Light wood tones, textured tree barks, shells stones and sand, infused with the cobalt blue and green tones, is what will separate this amazing project from others in the area.

"We are very pleased to work with Interiors by Steven G., one of South Florida's most prominent interior design firms, on the beautiful, contemporary design for Forté Luxe," said Fortelni. "Forté Luxe's multi-level residences will offer the finest designer finishes, merged with the enviable Jupiter-Tequesta lifestyle."

"Forté Luxe is a spectacular project that undoubtedly transcends residents into an oasis of retreat, fresh air, sunshine and the most beautiful sceneries," said Steven Gurowitz, founder and president of Interiors by Steven G. "We are thrilled to work on this inspiring development and are excited to watch the modern coastal living come to life through our design."

Boasting modern architecture, the pet-friendly community will offer 13 private boat slips for up to 60-foot vessels (residents can purchase dockage), and a private resort-style swimming pool and sun deck with entertainment areas.
