Forté Development broke ground June 28 on Forté Luxe, a luxury Jupiter waterfront community of 15 multilevel homes with Intracoastal Waterway views on three sides.

The development at 12450 Crystal Cove Place is scheduled to be completed in March 2025. Home prices range from \$4.35 million to more than \$8 million.

People at the groundbreaking included Marius Fortelni, founder and CEO of Forté Development; Caprice Weber, executive vice president and managing director at Douglas Elliman Development Marketing; Village of Tequesta Council members Laurie Brandon and Rick Sartory; and Assistant Martin County Administrator Matthew Graham.

“Forté Luxe presents a wonderful opportunity for the luxury buyer to enjoy the laid-back yet elegant Jupiter lifestyle just minutes from the arts, golf, culture, dining and shopping of the Palm Beaches,” Fortelni said at the ceremony.

The project features modern architecture by Alfonso Jurado and contemporary interior design by The Decorators Unlimited. KAST Construction is the general contractor, and Douglas Elliman Development Marketing is the sales team.
